

1 Choose your lenses

Select your lens type based on your visual needs.
All lenses come with anti-reflective + anti-scratch coating as standard.

Single vision	\$75
Access/Bifocal	\$200
Progressive	\$250

*Single vision lenses can be for either distance or reading. Bifocal lenses are used for near and distance. Progressives have three focal lengths - near, intermediate and distance.

2 Customize your lenses

Add on extra treatments and options to your lenses.
For example, opt for thinner lenses, blue light filter or turn them into sunglasses.

OPTION

Single Vision Custom	+\$75
----------------------	-------

*Single Vision Custom are recommended when your prescription is too complex for a standard lens. Our staff will advise when customized lenses are required.

THINNING

Thin	+\$50
Thinner	+\$100
Thinnest	+\$175

*Thinning of lenses is recommended when you have a stronger prescription. It makes your lenses lighter and less dense. We suggest Thin for > +/- 2, Thinner for > +/- 4, and Thinnest for > +/- 6.

TREATMENT

Blue Light	+\$25
UV Sunglasses	+\$25
Polarized	+\$75
Photochromic	+\$100

*Choose from a range of tints, coatings and other treatments for sunglasses or other types of lenses that can help with blocking UV, sun glare and blue light.

3 Choose frames

Now for the fun part - choose size (xs, s, m, l) and then create your colour story. Our frames come in modular parts so you can mix and match your colours - or choose additional parts to create multiple looks. Go wild with colour or keep them more subdued, it's up to you!

4 Bundle & Save 40%

Save a huge 40% on all additional pairs when you purchase any pair of prescription glasses! Grab two pairs of single vision from \$120, two pairs of progressives from \$400 or choose any combination of unlimited pairs and you're laughing!

Terms & Conditions

40% discount is applied to the item/s of equal or lesser value.
Discount applies to prescription glasses only, non-prescription glasses not included in bundles.
40% discount is only available per person and can't be split between multiple people.
Add items to cart, discount will be applied automatically at check-out.

Comprehensive Eye Exams

Book an appointment in store, by phone or online with our expert optometrists. Your eye exam includes a comprehensive health check along with a copy of your prescription. We direct bill insurance for most Canadian providers.

Give Contacts a Go

We're making contact lenses easy. Our team will guide you through from consultation to fitting, with free trial lenses to ensure you've got the best contacts for your comfort and convenience.

10 Year Frame Warranty

No questions asked, no caveats. Our frames are built to last. If you break them within the first 10 years of wear, we'll replace them. Made by us, with super durable and recyclable materials.

All Major Insurance is Accepted

Take advantage of your optical benefits, on the spot, at Dresden. Purchasing online? We'll provide your rebate codes on your receipt to claim directly through your insurer.
